## Major Photo Event Comes to Wilmington

Sixteen leading professional photographers and educators will come together for the Third Annual Photography “[Summit](#)” on the weekend of **February 28 and March 1** at the University of Delaware (Wilmington campus). Classes will cover a wide range of photographic subjects: Travel, Landscapes, Photoshop, Flash, Weddings, Glamour, Sports, Printing, Photo Books, iPhone Apps, Creativity...and much more. The Summit will be held at the same time and place as the 81st Annual [Wilmington International Exhibition of Photography](#). On Friday, February 27 (the day preceding the weekend Summit), workshops in Location Lighting, Lightroom and more will be held in nearby Chesapeake City, MD.

The Summit is organized by [Horizon Photography Workshops](#), which is headquartered in nearby Chesapeake City, MD. Said Horizon Workshops Founder/Director **Steve Gottlieb**:

“We’re excited about bringing together for one long weekend such an exceptional caliber and range of instructors. Holding this event alongside the exciting Wilmington International Exhibition seemed an ideal fit for people who love photography.”
